

PALAZZO MONTEMARTINI - FACT SHEET

Opening Date:

September 16th, 2013

Location:

Palazzo Montemartini was purchased in 2008 with the ambition to transform it into a luxurious, contemporary 5* Luxury hotel. The restoration began in July 2009, to be completed by middle 2013. We are proud to unveil the only one hotel in Rome crossed by the Servian Wall, dating from the sixth century BC and built during the reign of Servius Tullius, Roman King.

Palazzo Montemartini is designed for those who travel for pleasure or business, with its privileged location in the historical centre of the city and near Termini train station.

- ✓ 40 minutes / 31 km from the international airport "Leonardo Da Vinci"
- ✓ 30 minutes / 17 km from Ciampino airport
- ✓ 1 minute / 500 mt. from Termini train station
- ✓ 25 minutes / 6 km from St. Peter's Square & the Vatican City
- ✓ 10 minutes / 2,5 km the Colosseum & Roman Forum
- ✓ 8 minutes / 2 km from Spanish Steps & Via Condotti
- ✓ 8 minutes / 2 km from the Trevi Fountain & Via del Corso

Philosophy:

Palazzo Montemartini is a new prestigious address in the heart of Rome, adjacent to the Baths of Diocletian and near the church of Santa Maria degli Angeli designed by Michelangelo.

At Palazzo Montemartini, holidays, business and well-being are combined with an exclusive high-tech elegance, in perfect harmony with marbles, stuccoes and the classic style of a 19th-century building. Palazzo Montemartini has 82 elegant rooms and suites, spacious events halls with natural light, the exclusive "Senses" Restaurant & Lounge Bar with a view of the Servian Wall and the "ExPure" SPA wellness centre measuring 600 sqm.

Gourmet Restaurant:

The exclusive “Senses” Restaurant & Lounge Bar was created as a complement to a perfect stay, by giving it a unique and memorable flavour.

Palazzo Montemartini invites you to a new experience in taste and refinement, thanks to the wisdom of our Chef and to the magical combination of Italian traditions and new explorations into taste.

Wellness & Beauty:

A short distance from the ancient Baths of Diocletian, the exclusive Montemartini SPA by Caschera of Palazzo Montemartini draws inspiration for its wellness treatments. The concept of the water pervades the entire structure, from the suites and the restaurant to the three swimming pools in the wellness centre with their different temperatures, for a unique and evocative experience.

The SPA, which measures a good 600 sqm and is also open to external guests, benefits from natural light and is equipped with treatment rooms, sensory showers, chromotherapy sensory showers, heated pool, salt room, relaxation area, herbal teas area, sauna and hammam.

At Palazzo Montemartini wellness goes beyond the SPA and reaches the SPA Suites, all with a private SPA with Thalassotherapy, for the utmost in relaxation and privacy.
