Leaning majestically on the banks of the Grand Canal, looking directly across the water at the Rialto Market and located between Ca' D'Oro and the Rialto Bridge, the 14th century Palazzo has been declared a National Monument and still preserves the untouched beauty of an ancient noble residence.

Ca' Sagredo offers unparalleled Old World Luxury. Half hotel, half museum, the palace is enriched by exquisite and surprising artworks in every corner: the restoration carefully enhances the original noble features, delighting while evoking an extraordinary history. Details are emphasized by a rare preciousness and elegance.

Besides the artistic heritage of the Palace, Ca' Sagredo will also allow you to indulge your passion for Venice and your love for the best food and wine. L'Alcova Restaurant, with its splendid panoramic terrace on the Grand Canal, is opened all year round to offer an original cuisine based on the local Venetian traditions. An eloquent expression of the Mediterranean creativity, where you can encounter the wonders of Venice at your fingertips.
